

I am writing to you today about a very special radio dial: K-LOVE. It serves me as a local resident by providing me with not only excellent music but hope! It is not only my favorite radio station that I recommend to everyone I meet but it also provides me spiritual strength to face my day. If K-LOVE were to be displaced the local community would not only be losing out on encouraging music but they would also be losing out on a chance to be connected to someone who really cares for them. You see, the staff at K-LOVE are willing to take prayer requests and to pray for the listeners. I have used this service myself and I cannot begin to describe the feeling of knowing that someone empathizes and has lifted you up in prayer! I believe that the service provided by K-LOVE is in the public interest for the reasons I have mentioned but also it is the ONLY Christian radio station that has no commercials, plays the latest Christian music, and has the INTEGRITY of truly Bible abiding ministry. Do not take this away from us!
